The Best of State Awards were created to recognize outstanding individuals, organizations and businesses in Utah. By recognizing excellence in our community and sharing examples of success and triumph in so many worthy endeavors, we hope we will all be inspired to reach a little higher, to try a little harder, and to work a little longer for our dreams and goals.

David has been a USTA School Clinician for the Utah Tennis Association for over 10 years. David's enthusiasm for tennis and his superb teaching style, have brought the love of tennis to thousands of Utah's school children. Many Physical Education Teachers from all over Utah, have greatly benefited from David's unique and empowering teaching techniques as well.
