EXECUTIVE DIRECTOR REPORT

The 2021 year of tennis in Utah continued to amaze me with the growth we saw in every aspect of the sport. Tennis in the country received a boom in participation during 2020 and 2021 as people across the country saw tennis as a great sport during the COVID pandemic. Tennis in our state had been growing consistently even before COVID, but grew at enormous rates in 2021. Be sure to look at our league numbers to see the incredible growth in this one area of participation.

I am extremely proud of our team at Utah Tennis Association. They continually are thinking of ways to meet the needs of the public, and to offer creative new programming to fill gaps where we see them. Our tennis facility partners are the most amazing community of tennis professionals. As tennis has grown, we are happy to see that their courts are constantly full with junior and adult programming.

As the traditional facilities in our area became more full, we needed to find more courts in the community in which to run our new programs. Public parks like Olympus Hills were the sights of programs our Outreach Coordinator, Gretchen Soffe ran. She filled these courts during beautiful summer evenings with our New to Tennis program and the Young Adult Socials. Huge numbers of players filled these events every week. In addition, Gretchen ran multiple short format adult tournaments that are a great addition to the tennis products we deliver.

Ally Sundberg has been able to somehow keep finding homes for the ever increasing league demand that we are seeing. The puzzle of how to make sure each team gets 8 matches per league and to work with the facilities for courts is tough for every league, particularly our indoor season. Amazingly, Ally never turns a player away, and she and Gretchen are great at finding teams for new players to join. The Utah league program was in the Top 10 for National growth frequently during the past 3 years.

EXECUTIVE DIRECTOR REPORT

Garrett Snyder has found his love by creating so many events for the Junior Recreational player. Many of these juniors compete on high school teams, but need more match play experience. Garrett has created Junior Circuit events for orange, green, and yellow ball players that are short format, round robin events where juniors get a chance to practice their match play and develop their skills in a fun environment. With the National USTA 10 & Under restructure that took place leading into 2021, many tournaments no longer offered 10 & Under programming. Garrett filled this gap with his 10 & Under Junior Circuit events. Garrett's Junior Circuit sell out and the demand for this product continues to grow.

Anthony Panuzio lives for the beautiful photo of a tennis player. Over the past 2 years, he has attended dozens of events taking place in our community to shoot photos and create great content for our social media. With our social media, we strive to promote, honor and showcase tennis in our community. We post at least once every day to make sure that we have timely and fresh content for our followers.

Robin Wise ran the IceBreaker this year with good weather for the first time ever it seemed. This tournament has been broken up into 2 weeks of play to better work with court constraints during the iffy spring weather. She also ran a huge Utah State Open and Labor Day Masters for our highest competition players.

As the fall arrived, our staff was feeling pretty exhausted from hosting so many events. The Board of Directors supported my request to increase staffing in order to continue to deliver even more programs to the public that we had envisioned, but did not have the man power to execute. The year ended with multiple new staff members added – a Southern Utah Coordinator, Northern Utah Coordinator, 10 & Under Coordinator, Finance Manager and a full-time Pickleball Manager. We are so excited to grow as an organization and keep our mission alive – we are here to Grow the Game of Tennis for everyone in our state.

Gratefully – Laurie Lambert

JUNIOR PROGRAMS

In 2021, Garrett Snyder kept the momentum from 2020, and continued to create unique formats and opportunities for kids in Utah to play tennis.

These new tournament-like formats were both fun and less competitive so kids of all ages and levels had an event tailored to them. These events were mostly round robins that would take place in one day.

These events included:

USTA Junior Circuit Events

USTA Team Tournament Events

USTA High School Singles Tournament

USTA High School Doubles Tournament

USTA High School JV Singles Tournament

USTA High School Mixed Doubles Tournaments

TOURNAMENT & PLAYER DEVELOPMENT COMMITTEE

2021 was a mixed year for Tournaments. For quite a while tennis tournaments were shut down due to Covid 19. When tournament players were finally able to play tournaments again, we had a huge response with many of our District tournaments exceeding their record participation numbers.

The Tournament and Player Development Committee members meet three to four times a year to discuss tournaments, player development programs and the development of our junior players.

This is a very committed group of volunteers and they truly care about the development of our Utah junior players.

Chair – Holly Hasler

Committee Members – Lindsay Rawstorne, Brian Moore, Bob Juhasz, Joey Johnson, Tony Wallin, Tiffin Tullis, Mike White, Matt Stohl and Tanner Frey.

Staff – Robin Wise

WORKING 2 MAKE TENNIS FUN

SOCIAL TENNIS

While COVID had a definite impact in 2021, our outdoor social programs were very popular. Several reports listed tennis as a top activity that was safe to participate in with proper social guidelines in place. The programs and events we held included:

- NEW TO TENNIS Social Group

Held in June and July at Olympus Hills Park. This program was targeted at players interested in getting back into the game and eventually participating in League. It was a great place for participants to connect with other tennis players and learn about tennis opportunities in our community.

- YOUNG ADULT SOCIAL LEAGUE

Two hour socials were held for young adults between the ages of 18 to 39.

- WOMEN'S 4SCORE ONE DAY TOURNAMENT

In September, 3 division specific 4SCORE tournaments were held averaging 50 players per tournament. Held at Sports Mall on their outdoor courts, these tournaments provided an opportunity to play tennis and enjoy friends while competing for the 1st place trophy.

- Gretchen Soffe, USTA UTAH Outreach Coordinator

WORKING 2 MAKE TENNIS FUN

SOCIAL MEDIA

In 2021, the USTA Utah Social Media accounts took another big step forward. Despite the challenges of keeping the public in the know with the COVID-19 Global Pandemic, we were able to grow our IG and Twitter following by another 25%. We also grew our media archives by an additional 10,000 pictures and videos, .

Gretchen Soffe took on the challenge of creating company Tik-Tok videos for Tik-Tok and Instagram. Mixing these videos in with other pictures and forms of media, the USTA Utah social engagement grew by 100% in 2021. We are constantly creating new ways to market and promote our products. We cannot wait to see what fun projects we take on in 2022.

UTAH TENNIS FOUNDATION

The Utah Tennis Foundation is a 501c3 non-profit organization established in 1987. This organization, which works closely with the Utah Tennis Association, seeks to open doors to players who might not otherwise be able to afford the sport of tennis. Through our fundraising efforts and donations, the Utah Tennis Foundation was able to help hundreds of players in our state in 2021. The Utah Tennis Foundation has several areas of assistance for players and community partners.

- Grants: Parks and Recreation Departments, Private or Public facilities, and Community Champions can apply for up to a \$1000 grant available each year to help with programming, expenses, or player need in their area. Examples of grant money needs could be – windscreens expenses, balls and equipment for subsidized programming, money to provide player gifts, end of season party assistance, or help in paying instructors for free community based programming. To apply for a grant, contact Laurie Lambert at llambert@utahtennis.com
- Player Scholarships: Based on family financial need, good sportsmanship, and stated goals for tennis development, players may apply to become a Utah Tennis Foundation sponsored player. Assistance will vary from tournament entry fees, equipment support, and/or training expenses paid for by the Foundation. At any time, the UTF has approximately 10 players receiving scholarship assistance.
- Wheelchair Programming Support: Through monies donated, and grants written, the UTF provides the money to support the wheelchair tennis program in the state. These funds purchase equipment, court time, and pro time to deliver free programming for the majority of the wheelchair programs each year.

UTAH TENNIS FOUNDATION

- Out-of-State Travel Assistance: Junior players competing at the highest level incur high expenses each year for tournament entry fees, hotels, and travel expenses to compete in tournaments out of the state of Utah. To support these players, who represent our great state while they play elsewhere, the UTF provides end-of-year financial support to help progress each player's tennis career. District tournament play is a requirement to receive this money.
- For more information on this portion of the UTF support, please contact Laurie Lambert at llambert@utahtennis.com
- Subsidies for UTA programs: The UTF also helps subsidize expenses for programs run through the UTA such as Team Utah, CTC, Junior 4Scores and the Liveball program. By subsidizing these programs, our hope is that all players interested in participating in these additional opportunities for training are able to afford to join.

AFFILIATED ORGANIZATIONS

The UTAH TENNIS HALL OF FAME

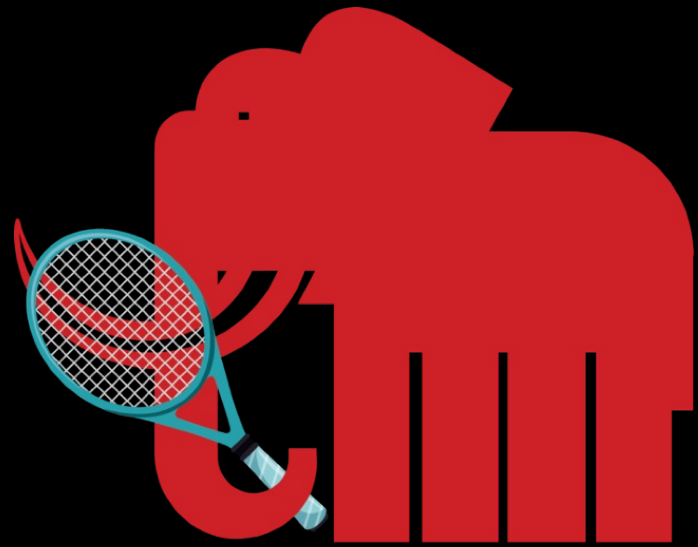

The Utah Tennis Hall of Fame was founded in 1993 to honor and recognize those individuals who have made outstanding contributions to tennis in Utah. Candidates are nominated and elected based on admission as either a Player – acknowledging their achievements in tennis as either a junior and/or and adult. Or, candidates can be inducted as Contributors – a person who has made outstanding contributions to the sport of tennis in the state of Utah. Applications are available at Utah Tennis Association for consideration. While 2021 did not host an induction ceremony, applications are still being accepted for a planned ceremony in 2022.

Other committee members include: Jim Osborne, Bill Bennion, Marilyn Wallin, Drew Sweet, Fritz Heinecke, Ric Hammond, Carolee Hammel, and administrative help from Laurie Lambert.

SPONSORS/SUPPORTERS

Utah Tennis Association is honored to receive support from the following sponsors.
Their generosity is critical to fulfilling the goals of our organization.
