

UTAH TENNIS ASSOCIATION 2021 LEAGUE FAQ

Play at your own risk. The Utah Tennis Association will do its best to facilitate play during the current global pandemic in accordance with guidance from our state and local governments and tennis facilities. Be aware that tennis facilities must make their own decisions about players' health and safety in conducting matches. Please abide by those decisions and be respectful of other players' safety concerns. If you are not feeling well or are experiencing any COVID-19 symptoms, or if you are concerned with your own health given the inherent risk of playing tennis with others during the pandemic, please skip play until such time as you feel healthy or more comfortable.

Because of the unpredictability of play and availability of facilities, **we cannot provide refunds for registration fees.** We are all operating at our own risk. We hope for the best and that each participant will have an opportunity to enjoy this wonderful sport again. Please check our website for COVID updates for each facility and abide by their rules.
