Park City MARC - Beginning Monday, June 29th face coverings will be required upon entering the facility, for the entirety of your visit including on the indoor tennis courts, while working out and while walking through the building to outdoor spaces. Masks must cover your face and nostrils. We understand the challenges of wearing face coverings while exercising; however the County and State are not exempting masks during indoor recreation activities.

Please keep in mind that the order does not change or reduce any of the current guidelines or protocols. Please continue to keep six feet from patrons outside your household, where feasible, even while wearing a face covering.

Please contact the front desk at 435-615-5401 if you wish to cancel any currently scheduled activities or passes. Patrons who are removed from an activity for not complying with the health order will not receive a refund.
